Firearms & Ammunition

Bring a bolt action or a double rifle. For Buffalo, Rhino and Elephant we recommend a caliber 375 or higher. For Lion, Leopard, Antelopes and medium game we recommend a caliber of 300 or 30-06. For dangerous game we recommend 40 full metal-jacket cartridges and 40 soft-point cartridges. Bring a soft case for your firearm for use in transportation between hunting destinations.

Gun Fees

The import of hunting weapons to South Africa only requires declaration at customs on arrival.

Gun Permits

When booking please specify the animals you wish to hunt. Hunters who come from CITES Convention signatory countries need to bring a copy of their CITES permits. Permits can be obtained from the Federal Wildlife Permit Office.

Bow Hunting

Bow hunting is welcomed. Please let us know prior to arrival if you intend on using a bow. No permit is required.
